To Whom It May Concern:

In reference to Raequan Battle, men's basketball student-athlete, I would like to indicate that:

1. Raequan did have an opportunity to return to the Montana State men's basketball team;
2. The student-athlete was not dismissed from the team or athletics program; and
3. Raequan was athletically eligible and in good standing upon departure from the institution.

If you require any additional information, please let me know.

Sincerely,

Leon Costello
